

## The Supercar Experience | A thrilling 6 Car Supercar Day

A unique opportunity to drive a selection of iconic cars through some of the most stunning and famous landscapes in the UK. Each car has been carefully selected so that the range you drive represents a cross-section of the world's finest sports cars - each with a unique character and distinct driving style.

From an 8am breakfast to safety briefing and a fantastic lunch, from car hire to fuel and fully comprehensive insurance, this Supercar Day offers superb value for money with its all-inclusive pricing. Plus you have the option to share the driving or book a single seat.

### Your Day Plan

The day starts at 8am with coffee and a bite to eat. You'll be fully briefed on safety and your route (including illustrated maps and directions for each stage) before being familiarised with the cars.

Each vehicle is equipped with a pre-programmed satellite navigation system, so no map reading skills are strictly necessary. During your drive you will swap between cars at designated stop-points, so you can experience each machine on the day.

### Your Route

The 200 mile route has been designed so you can safely experience the thrill, handling and performance of the supercars as you wind through the countryside.

### The Cars

You will be driving a selection of new and amazing supercars from Aston Martin, Audi R8 Spyder, Bentley GT, Ferrari's, Jaguar, Lamborghini, Maserati and Porsche.

### Extras:

Couple your day with an evening gala dinner event, and overnight accommodation in a luxury hotel.
