The Brief

Brightside were looking for a local quarterly event to be organised for their winners so we devised a day out in Bath with a difference!

Our Response

A private Mercedes minibus was arranged to meet the Awards Winners from Aust and Temple Meads in Bristol and took them to experience cocktail and mocktail making with flinging cocktail shakers in the air at a trendy venue in Bath

They all had lots of fun learning the different methods as well as sampling the various cocktails/mocktails!

The group were escorted to the exclusive Royal Crescent Hotel, a majestic residence and the only hotel on the famous Royal Crescent where they had a delicious three course lunch in a private room.

After being wined and dined with some fabulous food, it was time for the winners to get artistic as they took part in a comical Caricature Workshop. They got to learn the basics of cartooning and caricature and even got a caricature of themselves to take home with them – they were all very amusing and lifelike.

Client's Comments

"Two words – absolutely brilliant, I really enjoyed myself, the whole day was fantastic. The cocktail making, tasting and meal were outstanding and the caricature workshop was an eye opener!"

*"Great day Friday. The cocktail making was a wonderful experience and the caricature lesson was fab. Thank you **brightside!**"*

“It was a great day out and it was nice to meet up with some of the guys from Southampton and Torquay. The day started off with a morning cocktail making masterclass which was great fun and I think we all really enjoyed drinking the results of our efforts! The three course lunch at the Royal Crescent Hotel was fantastic and the caricature drawing in the afternoon was fab! All in all, a great day!”

“The cocktail making was fun, it was in a funky bar and the barmen running the cocktail making were really good as they encouraged us to ask questions, showed us what to do and made sure that we were all participating. They even made an extra sample of long island ice tea for us!”
